For further information see Online Service Center / approvals and applications.

**Insurance:**

(see Clause 21.7 ATB)

Any insurance requirements or damage reports should be sent to: versicherung@hamburg-messe.de.  
Insurance policies can also be booked via the Online Service Center (OSC).

**Cost element clause:**

In the event that the utility or labour costs payable by HMC (e.g., energy costs for electricity or gas, costs of water; wages, etc.) change during the six-month period beginning after the conclusion of the contract and ending at the end of the scheduled time for the event, without HMC being able to reasonably influence this change, HMC may, at its reasonably exercised discretion, adjust the Service Fees by an appropriate amount, provided that the changes have an immediate impact on the (pro-rated) purchasing costs incurred by HMC. In case of a cost increase, the amount added to the Service Fees must not exceed the increase in HMC's purchasing costs, and HMC shall offset this added amount against any reduction of other costs incurred by HMC elsewhere if applicable. The other party must be notified about any such Service Fee adjustment in textual form. HMC may, without being obliged to do so, sign such notification and may choose to do so using the DocuSign software. In the event of a dispute, the competent court of law may review the appropriateness of change of service fee. Any Service Fee adjustment must be announced one month prior to the beginning of the scheduled time for the event at the latest.

**Compulsory presence and operation:**  
(Clause 7.7 ATB)

The exhibitor is obliged to be present and operate his stand during the opening hours and for the entire duration of the fair, including the last day of the fair.  
Dismantling of the stand before the period set for dismantling is a breach of contract. HMC is entitled to impose a penalty charge of € 1.000,00.
